

**EXPORT CONTROL POLICY**

**CONTINUED MANAGEMENT SUPPORT AND COMMITMENT TO EXPORT COMPLIANCE**

Avtrade remains aware that as one of the World's leading providers of components and aftermarket support to airlines and aviation entities, Export Control legislation affects many aspects of our global business operation, and we are committed to fully comply with all relevant legislation and best practice.

Avtrade's responsibility is to ensure we understand and adhere to all applicable Export Control legislation regulated by the United Kingdom, United States, European Union and the United Nations.

*The purpose of these controls is to limit the supply of strategic goods, software and technology to reduce risks to national security and terrorism. It is in the interests of Avtrade as an employer, its workforce and wider global safety and security that these controls are effective and strictly adhered to make the world a safer place.*

Since our inception in 1985 Avtrade has complied with all relevant legislation, and it is our intent to continue to comply fully with all relevant export laws and regulations.

As C.E.O. with ultimate responsibility for all business operations, I continue to nominate Avtrade's Chief Compliance Officer to provide assurance that we remain compliant, assisted by the Head of Operations and Trade Compliance Officers.

As responsible employees of Avtrade, we must all be aware of our individual and corporate roles in ensuring that under no circumstances should a transaction or shipment occur that violates or potentially violates export laws. Failure to follow regulations may bring loss of export privileges, reputational damage, criminal and financial penalties for Avtrade and any individuals concerned.

I ask each of you to take this matter very seriously and support me in this effort.

Information on export control legislation can be found within Avtrade's Export Control Compliance Code of Practice Manual.

If you have any questions concerning the legitimacy of a transaction or potential violations please contact [Trade.compliance@avtrade.com](mailto:Trade.compliance@avtrade.com)

A handwritten signature in blue ink, appearing to read 'GB', is positioned above the name Graeme Brooks.
